Re: United States v. Nico Burrell
15 Cr. 95 (AJN)

Dear Judge Nathan:

We write this letter to inform the Court that we have inadvertently made remarks in our sentencing submission that contradict the plea agreement and are withdrawing these remarks. Accordingly, we are withdrawing our remarks at page 7 of our sentencing submission concerning the assault that took place between Mr. Burrell and a victim who was a witness on another matter. We are also withdrawing our remarks on pages 4 to 5 of our sentencing submission regarding Mr. Burrell's criminal history category.

Respectfully,

s/ Judith Vargas
